MEMORANDUM

May 18, 1948

TO: Acting Chief, FBIB
FROM: Executive for I. & S.
SUBJECT: Transmission of Teletype Messages to Cyprus

1. Reference memorandum of 13 Mat 1948 to Chief, Physical Security Division from Acting Chief, FBIB, subject as above.

2. No objections are perceived, from the standpoint of CIA security, to the use of clear radio and cable communications at this time for messages from FBIB and CIA administrative offices in Washington to their representatives abroad concerning construction of the Cyprus Station, provided, as represented in your memo., that the relationship between CIA and FBIS field operations will not be revealed nor the overall scope and techniques of FBIS field operations be divulged.

Colonel, GSC
Executive for I. & S.
